Internet of Things Services Registration

About Service

A service that allows government entities and companies to obtain approval certificate to conduct Internet of Things services

Service steps

Step 1 ➜ Log in using UAE Pass

Step 2 ➜ Fill-in the application form

Step 3 ➜ Attach the required documents

Step 4 ➜ The service is evaluated internally by TDRA and is classified either as mission critical or non-mission critical service

Step 5 ➜ If the service is classified as a non-mission critical service, it is evaluated internally
