

Penetration Testing

About Service

Evaluating the security practices at the level of the digital infrastructure and digital services of government entities, by searching for security vulnerabilities and trying to use them to access data and internal environment, and then providing a report to the entity about the vulnerabilities that have been discovered, in order to close them before attackers exploit them

Service steps

- Step 1** → Register with UAE Pass
- Step 2** → Submit a service request
- Step 3** → Receive the Rules of Engagement document from TDRA
- Step 4** → Fill-in the form and provide the required data
- Step 5** → TDRA will review the request and data provided
- Step 6** → Processing the penetration test
- Step 7** → Receiving the penetration test report
