

CERTIFICATION SERVICE PROVIDER LICENSE

The Telecommunications Regulatory Authority (the "TRA") of the United Arab Emirates (the "U.A.E"), in exercise of its powers as a Controller (having been appointed as such pursuant to *Cabinet Decision 8/291 of 2006* dated October 15, 2006), with responsibilities relating to the licensing, approval, monitoring and overseeing of the activities of Certification Service Providers according to *Federal Law No. (1) of 2006 on Electronic Commerce and Transactions* (the "Act"), hereby deliver this Certification Service Provider License to:

Digital Trust L.L.C

Having a registered office located at level 12, Aldar HQ Building, Abu Dhabi, United Arab Emirates.

This Certification Service Provider License is delivered by the TRA pursuant to the Act and the *Ministerial Resolution No (1) of 2008 Regarding the Issuance of the Certification Service Provider Regulations*, (the "Regulations") and is subject to all of the terms and conditions set forth in them, and to any further conditions, terms, restrictions, and limitations imposed by the TRA from time to time.

This Certification Service Provider License acknowledges that:

1. This license permits **Digital Trust L.L.C** to operate as a Certification Service Provider in the U.A.E by means of a certificates and attestations service provider limited to generating electronic certificates based on proprietary technology and self-signed that rely on X.509 technology for commercial purposes.
2. **Digital Trust L.L.C** has submitted a request for Certification Service Provider License to the TRA and has paid the required fees to the TRA for its License in accordance with Article (3)1 and Article (6)1 of the Regulations, and in the form prescribed by the Controller.

The effective period for this License begins on **18 May 2017** and expires on **18 May 2022** unless it is revoked or suspended before that date.

SIGNED and SEALED this 2nd day of September, 2020.

Majed Al Mesmar

Acting Director General
